

SHA Band Boosters 11/3/09 Minutes

I. **Attendance**

Faculty: Mr. Vinciguerra

Parents: Mrs. Shaffer, Mrs. DeRoche, Mrs. Kornexl

II. **What is SHA Band Boosters?**

Objectives:

- a. Promote and facilitate various student opportunities, including those involving the parish and the local community
- b. Promote and facilitate fundraises for the program

Organization:

It was decided that a less formal procedural setting be used at the meetings.

Involvement: Members are asked to participate when they are able.

Fundraising:

Fundraisers are to steer away from the student body/Sha parents. Fundraisers should be specific and direct. Some future fundraises may include “taking over” the Mother’s Day Flower sale and performing at a Parish Mass and asking for specific donations.

III. **Goals**

For students: More recruitment ideas are desired (i.e. CMU performers)

For the classroom:

Mr. Vinciguerra is to make a specific “wish list” of items the bands need. Mrs. Shaffer recommended contacting Gerald Konwinski (?) for instrument lockers.

For the program: Marching Band in 4 to 5 years (Grade 9-12 with 20+ members). Offer MSBOA membership and participation every year.

IV. **Upcoming Events**

Band Concert: Dec. 3 2009 will be recorded by 104.3FM

V. **Open Forum**

Possibly start a “Band Letter” for Varsity Jackets. Receive jacket after 10th grade year. Pins for 11th and 12th.

Keep the Pep Band going. Good community response.

Mr. Vinciguerra is asked to post MSBOA Band Festival and Solo and Ensemble information online.
